Assessment Tracking Sheet (Earth to Rain)

To advance through Telos you need to demonstrate your commitment to the program, your willingness to follow the Basic Expectations and develop good skills. This sheet will help you practice and demonstrate accountability in these responsibilities. It also assesses your ability to organize your belongings and follow through with simple expectations.

Directions:

Check in with each of your staff/teachers after every class period concludes and ask them to record how you did with the Basic Expectations in their class. Turn in your sheet into your residential lead at the end of school. Keep your sheet with you at all possible times. If you need to set it down, make sure it is in a safe place where you will remember to retrieve it.

Explanation:

If you met the standard for the basic expectation as defined by your staff or teacher, then you will receive a YES. If you did not, then you receive a NO. In some cases, you will not have an opportunity to demonstrate one of the Basics (i.e. watching a movie in class where you cannot really practice honesty). In these situations, your staff may elect to record an X for Not Applicable.

****If you do not turn in a tracking sheet they will be counted as "no's" and you will not advance in phase.**
****You will not advance in phase unless there is improvement in the basics**

Floor Basics	Y=Yes N= No X= N/A				**AM Staff Signature**
Up on time		Laundry basket tidy		**Hygiene done** -Teeth Brushed -School appropriate clothing -Showered -Hygiene items are stored in my locker	
Bed made		Floor Chore done		All hygiene tasks must be completed to receive a YES	
Dresser organized		Meal Chore done			
Cubby organized		No reminders needed			Time:

Classroom Expectations	Y=Yes N= No X= N/A							Notes from Staff/Teachers
